

Students Raise More Than \$47,000 Through KNIGHT WALK
Sophomore & Junior Classes Have 100% Pledge Participation

(Oct. 1,2006) – Dominican students raised more than \$47,000 to support extra-curricular activities in the 12th annual KNIGHT WALK, a fund-raising event held Friday, Sept. 28.

Over 350 students participated in the six-mile trek through the streets of Whitefish Bay. Recognition for the greatest level of participation by class was shared by the juniors and sophomores. Since its inception in 1996, Dominican students have now raised more than \$670,000 through KNIGHT WALK pledges.

By popular tradition, students and teachers once again proudly draped themselves in the school colors of green, black and white. See our KNIGHT WALK Photo Gallery for highlights.
